

LEUT. CHRIS TIMOTHY KILLED IN ACTION

Prominent Chattanooga Boy
Pays Supreme Sacrifice in
Struggle for Democracy.

In one block on Mabel street there is a service flag in every home. At the residence of Mr. and Mrs. C. Timothy, 219 Mabel street, there are of deepest blue adorn the service flag that honors their three sons, who went forth to do their bit for the great cause of world democracy.

But one of these emblems of blue will be covered over with a bright star of gold, for Lieut. Christopher S. Timothy has made the supreme sacrifice somewhere over there. All Chattanooga, and especially Mabel street residents, will mourn with the Timothys in the loss of their brave son and brother.

The death of this gallant young officer, as announced in a telegram received late Monday afternoon by his parents from Adj. Gen. McCain at Washington, brings the grim conflict overseas a step closer home. Only last week another Chattanooga boy, Corp. John P. Smith, of the Thirtieth Infantry, was named as having been killed in action. Several other young Chattanooga boys were reported as having been wounded.

It is presumed that these men were in the big drive which the allies have so successfully made against the Germans, and in which many thousands of Hunns have either been killed or captured.

Lieut. Timothy died from wounds received in action on July 28. At that time his regiment, a unit of the famous "Rainbow" division, was participating in the second battle of the Marne. Reports of the brilliant work of the Americans were contained in press dispatches.

The young man's letters home were very optimistic, and he maintained an attitude of cheerfulness that was inspiring. While his company waited by roadside to make a dash against the enemy, Lieut. Timothy, on July 9, found a short space of time in which to write a letter to Father Francis Sullivan, of St. Peter and Paul church. In the letter young Timothy stated that after being in the trenches 17 days, he had been on a short vacation, but that after a few days of repose his company had been ordered to the front.

It appears that he came out of that fighting without a scratch, a letter dated July 12 and 14 received by homefolks a week ago revealed a cheerful and optimistic tone and gave no intimation of any injury to him.

Lieut. Christopher S. Timothy was one of Chattanooga's best known and most popular young men. He possessed sterling qualities. He was 22 years of age, and a graduate of Spring Hill college and the Chattanooga Law school. At Spring Hill he was captain of the football team, and his career as an athlete was a brilliant one. For some time he was in the law office of Littleton & Littleton. Just before he responded to the call to the colors he was admitted to practice before Judge Bachman. He attended the first officers' training camp at Fort Leath, which began in May, 1917. Here he received his lieutenant's commission. When the call came for officers to go across he was one of the first to be sent. This group was made up of twelve officers. Lieut. Timothy was the second officer to be sent. He was the second officer to be sent. He was the second officer to be sent.

Memorial services for the gallant young officer, who died serving his country, flag and cause that he loved, will be held at Sts. Peter and Paul's church next week.

WAR MAP SHOWING ADVANCES

(This map furnished by Newspaper Enterprise Association and shows lines on August 10. Since that time French and British have advanced and Roye and Lassigny are closely approached.)

HEADLINER AT RIALTO MAKES VIOLIN TALK

With a violin that he could make "talk," Trovato, an eccentric violinist at the Rialto last night, played his way into the hearts of his hearers, and with the help of Eddie Mazie and W. H. Thompson, minstrel men and the Lachman sisters, a varied vaudeville bill is neatly put across.

Trovato has on some several occasions appeared in Chattanooga, and his wonderful manipulation of the bow has gained for him a number of friends here. His act is novel and it brought forth hearty applause.

Quite the best minstrel act that has appeared here in some time is, "Some Job," which was presented in a meritorious way by the team of Mazie and Thompson. The jokes lacked the tinge of old age and the songs were well sung.

The Lachman sisters have an act, which, despite the fact that the older sister danced as though she had slept in a draft and had failed to use the necessary amount of liniment to remove stiffness, was very cleverly presented.

James Merrick, as the "Merchant Prince" in a sketch by that name, was clever.

Al and Lena Anger, in a comedy sketch, "The Wrong Stand," put across some clever jokes.

FOUR NEW DIRECTORS FOR DISTRICT FAIR

Four new members were elected to the board of directors of the Chattanooga District Fair association at the meeting Monday afternoon. They are: James F. Johnston, J. Red Vogt, Z. C. Patten, Jr., and Richard Hardie.

It was reported that the new building which is being erected at the fair grounds in Warner park will probably be completed by Sept. 1 and will be used for the displaying of the county exhibits.

Mrs. J. B. Lauderbach announced that the D. B. Loman company has offered to give 100 free tickets to canning club girls throughout the county on Oct. 1. These girls will meet at the store on Market street and march to the fair grounds in a body.

YOUR DUTY TO BE ATTRACTIVE

Have Pretty Dark Hair

"La Creole" Hair Dressing is the original hair color restorer, and not a dye. Applying it to your hair and scalp restores the color glands of nature, and restores your hair to a beautiful dark shade or to its natural color. It is the only hair color restorer that will gradually darken all your gray or faded hair in this way. No matter how gray, prematurely gray, faded or lusterless your hair may be, "La Creole" Hair Dressing will make it beautifully dark, soft and lustrous. "La Creole" Hair Dressing will not stain the scalp, wash or rub off, and is easily applied by simply combing or brushing through the hair. Don't be misled into buying some cheap preparation.

USE "LA CREOLE" HAIR DRESSING for gray or faded hair and retain the appearance of youth. Also used by gentlemen to impart an even dark color to their gray hair, beard or mustache. Sold and guaranteed by all good drug stores everywhere, or sent direct for \$1.20 by the Van Vleet-Mansfield Drug Co., Memphis, Tenn. (Adv.)

HARRY KINZLOW PAYS TRIBUTE TO "Y" WORK

He Cannot Get Used to Seeing
Women Attired in Men's
Clothing.

Harry Kinzlow, a young Chattanooga boy, who is "over there" doing his bit for world democracy, pays high tribute to the Young Men's Christian Association.

HARRY KINZLOW.

Young Chattanooga, Who is "Over There" with 155d Aero Squadron, Likes Life in the Service.

association in a letter just received here by homefolks.

He said: "Then, there is the good old Y. M. C. A. a home to all we boys. They give entertainments and vaudeville quite often and send us all the sporting equipment we want. In London they have the Eagle 'hut', where for nine pence (18 our money) one can get a bed for the night. Anything done for them is surely a good thing."

Speaking of women in the army service over there, Kinzlow said they were breeches and leggings or puttees. "It sure looks strange to see a girl in men's clothes," he wrote.

The young man said he was well at the time of writing, feeling fine, enjoying life and having quite a good time. Kinzlow is with the 155d aero squadron.

"Don't Have to Register" Negro Gets in Wrong

Harry Holder, a negro laborer of the Missionary ridge section, was taken into custody Monday afternoon by federal agents and lodged at the police station on a charge of violating the selective service act. It is charged that Holder has been making bold assertions to the effect that he did not have to register. When the officers made the arrest the negro resisted and the officers had to use force in making him submit.

LIEUT. IVAN MAGNITZKY NEW PRISON ADJUTANT

The name of the successor to Capt. Yost, former adjutant at the war prison barracks who has been recalled to Washington, has been announced. Lieut. Magnitzky was recently promoted to a first lieutenant, and will probably act as adjutant both at the war prison camp for alien enemies and at the federal prison barracks. He is a graduate of the first officers' training camp at Fort Roots, and has been assigned to Camp Pike since its completion. He has been connected with the receiving depot there since September, 1917.

HOSTESS HOUSE FOR J. W. B. AT GREENLEAF

Elaborate Structure Is Under
Way—Jewish Soldiers Have
New Year's Holiday.

Along with the rapid extension of activities along military lines at Chickamauga park, the various welfare activities are increasing the scope of their work. The latest move along this line is the approval by Col. Munson and Bishop of the erection of a new building by the Jewish Welfare Board near the hostess house at the Camp Greenleaf annex. This building will be of the most modern and thoroughly up-to-date construction, and will contain a stage and auditorium for entertainments, private class rooms, rest rooms, etc. The work of construction is to begin at once, and it is expected the building will be ready for use early in September. It is generally understood that the Greenleaf annex is soon to be one of the busiest spots in the park, and the new building will be able to serve many men.

Herman Okun, formerly in charge of the Jewish Welfare Board work in Chicago, has been assigned to Chickamauga park by the executive council, and has taken up his duties at the Jewish Welfare Board hut at Civic Center. With the increase of activities at the park it was found necessary to increase the staff of workers, and Mr. Okun was selected to fill the need.

Among the visitors expected soon is Rabbi Louis Wolsey, of Cleveland, Ohio, who for many years has been prominent in Jewish affairs; he was formerly president of the Council of Rabbis of America. He will be at the park on Aug. 17 and 18 and will make several addresses at various camps, among them the detention camp at Greenleaf.

Through the co-operation of the war department it has been arranged for every American soldier of Jewish faith to secure a furlough during the Jewish New Year holidays, from noon of Sept. 6 until the morning of Sept. 9, and the visitors expected soon is Rabbi Louis Wolsey, of Cleveland, Ohio, who for many years has been prominent in Jewish affairs; he was formerly president of the Council of Rabbis of America. He will be at the park on Aug. 17 and 18 and will make several addresses at various camps, among them the detention camp at Greenleaf.

EARLE WILLIAMS IS SEVERELY WOUNDED

Shell From Long Range German
Gun Explodes in Paris Street
Near Him.

A special dispatch has been received by The News stating that Lively Earle Williams, of Manchester, Tenn., a Y. M. C. A. worker attached to a post in the middle part area, while in Paris on business had been struck by a shell fragment from the long-range German gun that has for some time been shelling that city at intervals. Mr. Williams was walking along the street when the shell burst. A large piece struck him in the hip, severely injuring him.

Mr. Williams was well known in this city, having graduated from the Chattanooga law school in the class of 1915. He was 32 years old, and for eight years had been a salesman. He sought entrance in the first officers' training camp, but after a short stay was discharged on account of poor eyesight. He afterward entered Y. M. C. A. service at Camp Jackson, where he remained until he was sent to France.

ISLAND DWELLERS LEFT OUTSIDE OF COUNTY

They Neither Live on the North
or South Side, so Have no
Habitat as Voters.

There are twelve or fifteen voters on lonely Williams island that it is charged the recent redistricting bill has entirely disfranchised. In redistricting the county the new law divided it into three divisions, the first district including all the territory within the city limits, the second district all the land lying south of the river, outside the city limits and the third district all the land north of the river, outside of the city. Now it is claimed that there are twelve or fifteen voters living on Williams island for whom according to the redistricting act, no provisions are made, as they are neither in the city nor north or south of the river. This point may be the basis for another attack on the law by some of the justices who have been removed from office as the result of the cutting down of representation in the county court.

It will be remembered that Squire H. H. Ensign, Fred R. Foster and W. L. Storer attacked the constitutionality of the bill in a mandamus proceeding, but Chancellor W. B. Garvin decided against them. However, as to a point of law made in the attack that the caption of the bill contained the subject matter of the mandamus, while ruling against the complaints, the court stated that these grounds could not be sustained. An appeal was taken from the decision of the Chancellor, and the mandamus proceeding will be heard by the new supreme court. The consensus of opinion is that the redistricting bill contributed largely to the defeat of Judge Williams Cummings, though it is known by those familiar with the matter, that Judge Cummings had nothing to do with the bill, it being suggested and drawn by a committee that had been appointed to look into and suggest improvements in the county administration. Since the defeat of the county judge the new redistricting is being condemned on all sides and its unconstitutionality has been vigorously attacked by both parties as the republicans condemned it in their race for county judge and since it is thought to have hurt Judge Cummings in his race it is known to stand in bad favor with the democrats.

COAL SCREENINGS TO COST THIRTY CENTS LESS

Federal Order Reduces Price
on Dust and Small Pieces
From Coal Mines.

A new ruling has been issued by the United States Fuel administration which will affect the price of inferior coal at the mines. The ruling reads that coal passing through screens one-half inch or smaller shall be sold for the government price less a discount of 30 cents per net ton. This order was made effective Aug. 1.

The regulation as sent to the local dealers by W. E. Myer, the state fuel administrator, is as follows:

1. For all special sizes passing over a mesh over one-half inch in size, the applicable government mine price for prepared coal at the mine where such screenings are produced.

2. For all special sizes passing over a mesh over one-half inch in size, the applicable government mine price for run of mine coal at the mine where such special sizes are produced.

3. For all fine sizes from sized coal passing through a mesh one-half inch or smaller in size, the applicable government mine price for standard screenings at the mine where such screenings are produced, less 30 cents per net ton.

4. If fine screenings or "carbon" passing through one-half inch or smaller mesh as the result of producing special sized screenings are mixed with other coal, whether the same be mine run, prepared or standard screenings, the selling price of the mixture shall not exceed the applicable government mine price for standard screenings at the mine where such mixture is produced, less 30 cents per net ton.

This will reduce the price 30 cents on the ton for the fine screenings of run of mine coal which flooded the market last winter in Chattanooga when the coal shortage became so serious.

Supreme Court Asked to Review Federal Decree

Convicting Johann Klattenhof and Paul Wierse Growing Out of Sinking of Liebenfels.

Washington, Aug. 13.—The supreme court has been asked to review the federal court decree convicting Johann Klattenhof and Paul Wierse on charges growing out of the sinking of the German steamer Liebenfels in the harbor at Charleston, S. C., when the United States broke contact with Germany. Klattenhof was master of the steamer.

Mystery Veils Supposed Kidnaping of Infant

Newport News, Va., Aug. 13.—Mystery surrounds the supposed kidnaping of the 5-week-old baby of Mrs. T. P. Sawyer. The child was taken from its carriage in the heart of the business section yesterday morning. The police have been unable to get a clue. The mother left the infant in her carriage outside a store and went in to do some shopping. She returned a few minutes later and found the child gone.

Why Don't You Take Nuxated Iron, Sam?

"Two months ago
I felt just about as
you look—weak,
nervous, and all
run-down—I took
Nuxated Iron for
six weeks and—

Today Look At Me—I Feel Strong As An Ox

and ready for any task. You can talk as you please, but I am thoroughly convinced that Nuxated Iron contains something that must be of greatest value to help put strength, force and courage into a man's blood. Here is an extra package that I wish you would take home and try."

Nuxated Iron has been used and highly endorsed by such men as Hon. Leslie M. Shaw, former Presidential Cabinet Official, Secretary of the Treasury; United States Senator and Justice of the Court of Claims of Washington; Judge William E. Chambers, Commissioner of the United States Board of Mediation and Conciliation, formerly Chief Justice of the International Court of Arbitration; former United States Senator and Vice-Presidential nominee Chas. A. Towne of Minnesota; former U. S. Senator Richard Rolland Kenney of Delaware, at present Asst. Judge Advocate General U. S. Army; General John L. Clem (Retired) the drummer boy of Shiloh, who was Sergeant in the U. S. Army when only twelve years of age; General David Stuart Gordon (Retired) hero of the Battle of Gettysburg; former Health Commissioner Wm. R. Kerr of Chicago. When men like these endorse Nuxated Iron, there can certainly no longer be any doubt as to its efficacy. It is made by men who put their conscience into every package, and into every tablet in that package.

Iron is absolutely necessary to enable your blood to change food into living tissue. Without it no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking, just like a plant trying to grow in a soil deficient in iron. For want of iron you may be an old man at thirty, dull of intellect, poor in memory, irritable and all "run down," while at 40 or 50 in the absence of any organic element and with plenty of iron in your blood, you may still be young in feeling, full of life, your whole being brimming over with energy and vital force.

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Medical Dept.), New York, and the Westchester County Hospital, said: "I have taken Nuxated Iron myself and prescribed it for my patients, and I can truthfully say that it leads any preparation I have ever used for building up delicate, nervous, run-down folks and increasing the red blood corpuscles, thereby enriching and fortifying the blood against the ravages of disease. Contrary to general opinion, lack of iron in the blood does not necessarily mean you do not have enough blood, but it means your blood is not of the right kind."

Manufacturers' Note: Nuxated Iron, which is recommended above, is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Jo Anderson and other druggists. (Adv.)

Calomel Users! Listen To Me! I Guarantee Dodson's Liver Tone

Your druggist gives back your money if it doesn't
liven your liver and bowels and straighten
you up without making you sick.

"Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work."

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, crumbles into it, breaking it up. This is when you feel that awful nausea and vomiting. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel new and vigorous I want you to go back to the store and get your money back. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipation, which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless, doesn't gripe and they like its pleasant taste. Jo Anderson, druggist, Chattanooga, Tenn. (Adv.)
